THE STORM THAT BLOWS AWAY THE OPPOSITION.

Hardigg Storm Cases provide the safest transportable environment for sensitive, expensive or vital equipment including film, video and digital cameras, testing, levelling & satellite navigation equipment and all other types of equipment that would be adversely effected by dust, dirt, moisture or vibration. More than just a protective shell, Storm cases are an integrated protection system. Manufactured from HPX™ high performance resin, features include easy press and pull latches that won't pop open if the case is dropped, a durable soft grip handle with soft overlay, strong and durable hinges, multi-layered cubed foam to give your equipment a snug fit and a valve that automatically adjusts to changing environments and won't fall out or get lost.

The full line of sizes, listed below, covers almost every type of utilization in practically any environment. Tough, rugged, lightweight, airtight, watertight, impervious to Mother Nature, dent-resistant, shatter-resistant and virtually unbreakable, these cases are guaranteed to keep your valuable equipment Safe and Secure for life.¹
