Mobile Benches, Tool Storages & Cabinet

SPACEPAC - Second Hand

MOBILE WORK STATIONS 1 CUPBOARD & 2 DRAWERS

The modular design of the workbench components extends into this versatile range of tool and machine side cabinets, ideally suited to factory and building storage applications as well as compact mobile tool and parts storage. All drawers and cupboard have new locks while heavy duty worktops easily tolerate the use of a vice or power tool applications. The castors have smooth-running roller bearings to ensure trouble free movement, even when the trolley is heavily loaded (up to 250kg).
