

Mobile Shelving - Spacesaver

Self Based - Mechanically Assisted

- GECA - (Good Environmental Choice Australia) approved.
- Versatile, flexible multiple bay mobile storage unit that only requires one access aisle.
- Compact, convenient and easy to use.
- Sits directly onto any floor surface avoiding installation and disruption costs.
- Adjustable feet allow base to be levelled on-site using the latest laser technology.
- Spacesavers can be added to or relocated saving you time, money and worry.
- Mechanical assistance requires minimal effort thus reducing OH&S manual handling injuries.
- Fully welded base manufactured from galvanised square steel tube incorporating dual track and non-slip platform.
- Trolleys are manufactured from heavy gauge BHP steel and have a fully welded sub-frame.
- Shelves adjustable at increments of 25.4mm.
- Key operated lock included.
- Accessories include: Polycarbonate Shelf Dividers, Toastracks, Roll-Out Reference Shelves, Roll-Out Suspension Frames, Roll-Out Media Drawers, Aisle Lock-Out Bar and Entrance Ramp.
- Scratch and scuff resistant powdercoat finish.
- Large range and colours and finishes.
- Lifetime Warranty.

Proudly Australian Owned and Manufactured Since 1946

DAVELL

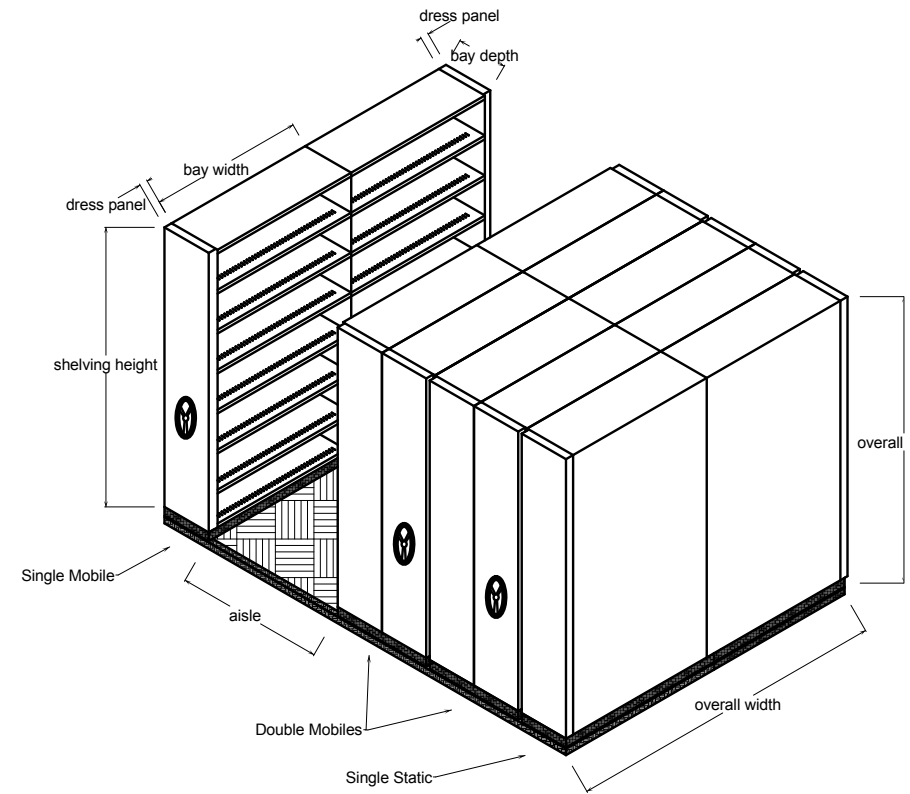

Mobile Shelving - Spacesaver

Self Based, Mechanically Assisted
