

SPECIAL PRICE - ACCESS RAMPS

MP (MULTI PURPOSE) STD RAMP

Portable, Composite Glass / Carbon Fibre Ramp

The Multipurpose ramp is a longer, wider variant to the Personal that offers a wider scope of use in domestic, commercial and travel environments.

Same as the Personal, the Multipurpose simple concertina action enables it to be deployed in seconds.

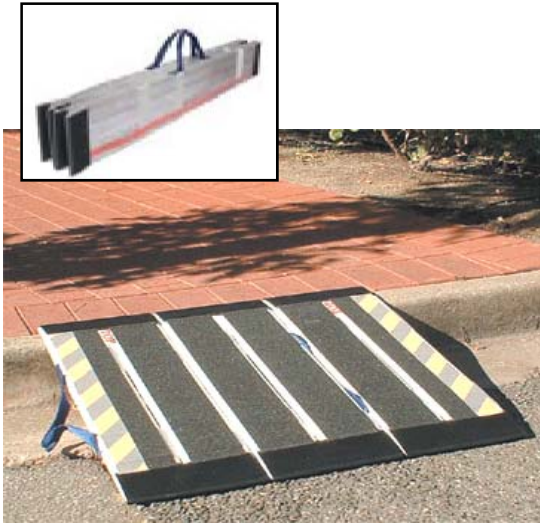

It is covered with Grip Tape to provide a non-slip surface and for added safety, it is fitted with pads at the top and base for all weather conditions. It is also clearly marked to identify the head of the ramp that has to sit on the step.
