Maxi System

Louvred Panels, Bins, and Accessories

Maxi is a system of louvred panels, bins and accessories for handling and storing a wide variety of small parts and components.

The various bin sizes allow components to be stored in convenient quantities and to be instantly visible and available for selection. Accessories include hooks, peg board hanger, shelf trays and trolleys.

The Maxi system is so versatile it can be free standing, mobile, wall or bench mounted to suit your work environment.

Maxi Bins hang or stack

DEXION
AUTHORISED DEALER

Maxi hanging and stackable bins are the market leader in open fronted containers. The inherent strength of the Maxi Bin comes from the robust design using the best quality polypropylene materials.

Maxi Bins are most commonly hung on louvred panels, but their unique interlocking design enables them to be stacked securely without the bin splaying under load. This makes them perfect for incorporating within your shelving system or on a bench top.

Maxi Bins are available in seven sizes and in five colours. The various sizes ensure there is a bin to suit your requirements, and different colours ensure easy identification of stock locations and in-turn retrieval. Coloured bins also provide the opportunity for colour coding by product group.

Made from high strength polypropylene that resists discolouration from oil and grease

Available in 7 sizes and 5 colours

Maxi System

Bin Type	P5 Maxi Bin
Dimensions	100mm W x 120mm D x 60mm H
Maximum Loading	2kg
Panel Density*	52.5
Order Code	Colour
080101	Red
080102	Blue
080103	Yellow
080104	Green
080105	Almond

Bin Type	P10 Maxi Bin
Dimensions	100mm W x 178mm D x 85mm H
Maximum Loading	5kg
Panel Density*	35.0
Order Code	Colour
080121	Red
080122	Blue
080123	Yellow
080124	Green
080125	Almond

Bin Type	P20 Maxi Bin
Dimensions	135mm W x 225mm D x 125mm H
Maximum Loading	9kg
Panel Density*	19.7
Order Code	Colour
080141	Red
080142	Blue
080143	Yellow
080144	Green
080145	Almond

Bin Type	P30 Maxi Bin
Dimensions	205mm W x 280mm D x 165mm H
Maximum Loading	14kg
Panel Density*	10.5
Order Code	Colour
080167	Red
080168	Blue
080169	Yellow
080170	Green
080171	Almond

Bin Type	P40 Maxi Bin
Dimensions	410mm W x 280mm D x 165mm H
Maximum Loading	18kg
Panel Density*	5.3
Order Code	Colour
080185	Red
080186	Blue
080187	Yellow
080188	Green

* Panel density is the approximate number of bins that will fit into a linear metre of standard 457mm wide panel. Please refer to Maxi Bin Mix and Match Guide on page 11 for more information.

Bin Divider
 P30, P40, P45 and P60 bins have been moulded to incorporate separate plastic dividers. P30 has only one divider, P40 can take up to two and P60 up to three.

Order Code	Bin Type	No. of Dividers
080241	P30	1
080231	P40	2
080221	P60	3

Bin Type	P60 Maxi Bin
Dimensions	410mm W x 457mm D x 216mm H
Maximum Loading	27kg
Panel Density*	4.4
Order Code	Colour
080191	Red
080192	Blue
080193	Yellow
080194	Green

Bin Label Card

Order Code	Bin Type	Colour
080208	P5	White
080209	P10 - P60	White

Maxi System

P45 Maxi Bin - *Unique Applications*

P45 bins are typically used in dust sensitive environments. When stacked, dust particles are impeded from entering the front or the top of the bin. The front screen is hinged at the top to provide access to the contents.

Bin Type	P45 Maxi Bin
Dimensions	180mm W x 440mm D x 145mm H
Maximum Loading	13kg
Panel Density*	6.5
Order Code	Colour
080175	Red

Label holders on dividers

Bin Front Screen

The P45 bin front screen covers the face of the bin from foreign particles.

Order Code	Description
080261	Bin Front Screen

Bin Divider

P45 dividers are used to divide the bin into smaller compartments. P45 bins accept 1 front to back divider or 7 left to right dividers for maximum versatility.

Order Code	Divider Type	No. of Dividers
080251	Front to Back	1
080252	Left to Right	7

Maxi System

Louvred Panels - *the system's backbone*

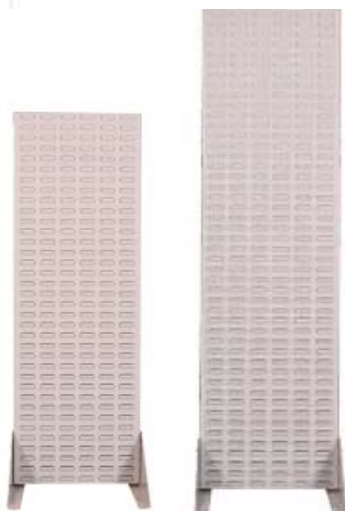

Louvred Panels form the backbone of the Maxi Storage System. They are pressed steel panels designed to allow all sizes of Maxi Bins to hang in a high density, free configuration, perfect for small parts picking. The special lip on the rear of the bin is seated over the louvre of the panel. The bin sits securely on the panel, but is easily removed when required.

Single sided

Single sided panels are designed to be wall mounted, however there are other mounting possibilities such as to racks or shelf units, secured to the end of benches, desks even the back of doors turning any flat surface into useful storage.

Order Code	Dimensions	Max Load
080311	454mm W x 457mm H	101kg
080313	454mm W x 914mm H	203kg
080315	454mm W x 1829mm H	407kg

080401 080402
 * Rack feet sold separately

Free Standing Racks - Double Sided

Free Standing Racks are designed to be put anywhere. Each unit breaks down into 2 components, for ease of erection or change as required. Each unit is modular to create long storage runs and 'add units' can be joined easily as required. Free Standing Racks are fitted with two rack feet. Extension bays consist of an additional 457mm wide double panel and one rack foot.

Order Code	Dimensions	Max Load
080401	438mm W x 1372mm H	611kg
080402	438mm W x 1829mm H	815kg
080408	Spacer	
080403	Rack Feet	

Louvred Trolley

The louvred trolley is ideal for supplying components to a workstation or providing a mobile stock replenishment system. The trolley is a double sided louvred panel unit mounted on a heavy duty tray base, with 2 fixed and 2 swivel castors.

Order Code	Dimensions	Max Load
080411	940mm W x 1340mm H x 665mm D	454kg

All prices/specifications subject to change without notice.

Maxi System

Louvred Panels - Accessories

Bench Unit

Bench Units are also available and are designed for workstation or bench top convenience.

Shelf Trays

May be used as a shelf or inverted for use as a flanged tray. Great for holding tools and cables, drum holders and tool blocks.

Order Code	Dimensions
080417	457mm W x 457mm H

Order Code	Dimension	Max Load
080512	254mm D x 438mm L	45kg

Hooks

Single pronged, double pronged and closed loop steel hooks finished in bright zinc-plated finish are great for hanging a variety of parts such as fanbelts, gaskets, hoses and packaged items such as automotive parts. Perfect for in store product displays also. For heavier items the L10 painted hook is ideal.

Order Code	Hook Type	Length	Max Load
080501	S6 - Single prong	152mm	2.3kg
080502	D6 - Double prong	152mm	4.5kg
080503	C6 - Closed loop	152mm	4.5kg
080505	L10 - Large hook	252mm	9kg

Maxi Bin Mix and Match Guide

Having trouble determining the style and number of bins you can fit on any given louvred panel? The diagram below allows you to mix and match the Maxi bin range for all louvred panel dimensions.

Number of Bins per 457mm Wide Panel

Single Sided Louvred Panel Dimension	P5 Maxi bins				P10 Maxi bins				P20 Maxi bins			P30 Maxi bins		P40 Maxi bins		P60 Maxi bins		Free Standing Double Sided Rack Dimension
