Shelf Bins

Drawer-Like Access

Dexion Shelf Bins are designed to be incorporated within the Ultima shelving system. When placed on a shelf they create convenient drawer-like access for small parts. Integrate Dexion Shelf Bins with other Dexion products for the ultimate small parts storage solution.

Shelf Bins are available in 3 depths - 295, 445, 600mm. They are also available in 2 widths - 105 and 168mm. Shelf Bin dividers allow you to divide the bins into 8 compartments regardless of the bin size.

All prices/specifications subject to change without notice.

Shelf Bins

Bin Divider

Black polypropylene dividers create up to 8 compartments.

Back Stop

Back stop allows Shelf Bins to hanglock to the rim of the shelf above allowing the bin to tilt out and provide easy access.

Label Card

Fits into the label holder that is moulded into the front lip of the Shelf Bin. It is used to identify bin location and contents.
