

Storage Cages & Trolleys

Stock Trolley

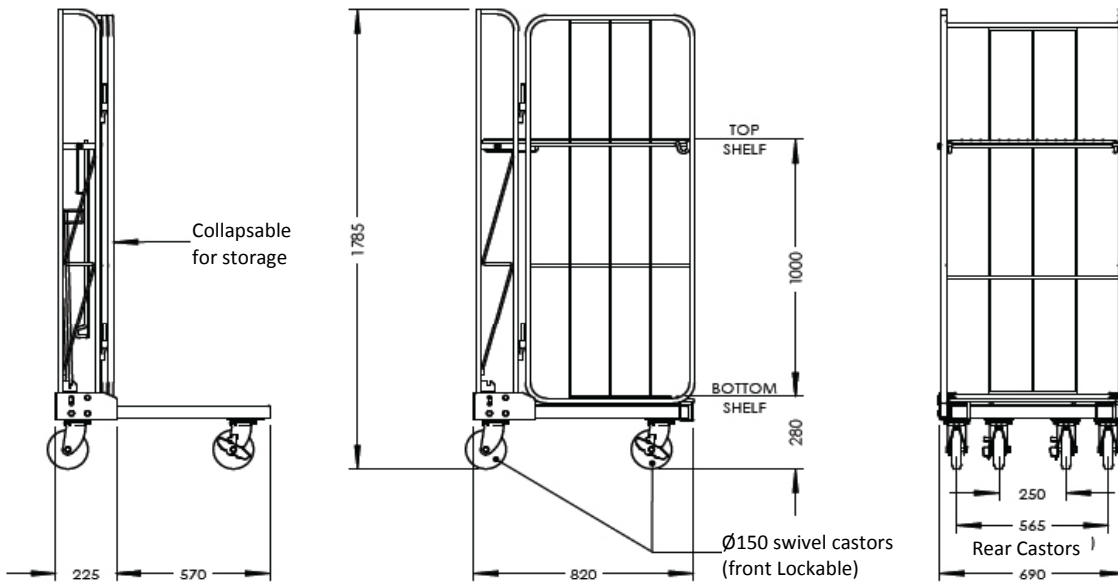

This lightweight trolley is ideal in areas such as hospitals, nursing homes, supermarkets, retail outlets, stock warehouses etc.

Perfectly suited for use in narrow aisle spaces, this trolley is also fitted with 4 easyroll swivel castors, 2 of which are fitted with brakes.

With the ability to be quickly collapsed and nested together for space saving when not in use, the SPRST-01 is ideal for limited space storage situations.

SPECIFICATIONS:

- Safe Working Load: 250 kg (evenly distributed)
- Unit Weight: 54 kg
- Zinc Plated Finish
- 150mm easyroll castors
- Power Drive options available - POA
