Electrodrive

# POWER TROLLEY - 500 kg Capacity

**12 Month Warranty**

The Electrodrive Power Trolley is a motorised flat bed trolley.

Easy to control and lessens work load considerably.

It is ideally suited to moving loose objects, such as boxes, bags or bottles. Custom tops and cages are made to suit your needs.

The Power Trolley comes with solid non marking tyres and tiller control.

**Features:**

- Carries stores items, dialysis fluids, maintenance spares and more
- Powerful load carrying platform 500kg capacity
- Standard flat top configuration (700 x 1200mm)
- Baskets with gates at each end and customised tops available
- Tiller steering
- Takes ramps with ease
- Variable speed control
- Mail trolley and coin handling model
- Heavy duty models available
- Moves at a comfortable walking pace - Adjustable
