

## Mobiles

Moulded in tough food grade polyethylene -30 degrees celsius to +80 degrees celsius temperature range. Snag free easy to clean design. 100% plastic inside ensuring hygienic design. Watertight can be drilled and fitted with drainage bung. RM70TR and RM100TR supplied with a reinforced plastic base board.

**IMPORTANT NOTE:**

It is not recommended to overload mobiles with liquid or heavy product. A chassis frame can be supplied if required for this purpose. Please ask for advice.

We are able to provide "tagging" slots in most products if required to enable contents to be individually recorded and/or dated for full traceability. Please ask for details.

### Castor Arrangements

RM19TR = 4x 50mm swivel zinc plated  
 RM20TR, RM28TR = 4x 75mm swivel zinc plated  
 RM35TR, RM42TR, RM70TR & RM100TR = 2x 100mm swivel and 2x 100mm fixed zinc plated

Stainless steel castors can be supplied on request.
