Effective 1st November 2003

FESTO SYSTAINER: More than a simple box.

#445433
 DIMENSIONS:
 395W x 295H x 105D

The large Systainer handle sits comfortably in your hand. It makes things easier, saves time and carries more. This leaves you with more strength for your real task.

ROBUST: Festo Systainers are extremely long lasting.

#445434
 DIMENSIONS:
 395W x 295H x 157.5D

RE-USABLE: All aspects of the Systainer are made from the same 100% recyclable material. Therefore, there are no waste disposal problems. Time consuming material breakdown is prevented, the Systainer components are raw materials no waste.

#445596
 DIMENSIONS:
 395W x 295H x 210D

VERSATILE: The attractive, functional design of the Systainer opens up many application possibilities for work, hobbies, leisure time and household use.

#445597
 DIMENSIONS:
 395W x 295H x 315D

INDEPENDENT: With additions to the system the Systainer can become a mobile workshop on site. The loading and unloading of your mobile workshop lasts only a few minutes.

You can use your Systainer for anything. There are no limits for your imagination - a sewing box, toy box, picnic box, camera case, etc, etc...
