STILLAGES AND CAGES

- Stackable and rackable, our pallets are space saving.
- Either on self locating pallet feet, or with bearers to fit into racking, they allow full use of available floor space.
- Product and materials can be stored and handled more securely in JNI Pallet Systems
- The rigid tubular steel construction combined with suitable cladding (mesh, sheet steel, timber)
- A safe and lasting solution for your materials handling problems – sturdy in construction and low in cost.
- Choose from our extensive standard range or have us custom design a solution to suit your specific needs.
