Application Detail

What will this item be used for?

Supporting Documents - Attach a sketch, drawing or photograph of what you believe is required and show sizes.

Does this item interface with another structure? (example a machine or building)
If yes, site photos are required. (please email to spacepac@spacepac.com.au)

For all Mobile Units:

1. What type the floor surface will be used on, and will it be used outside?

2. Are there any overhead obstructions. Doorways, pipes etc ?

3. Are there any space limitations. Narrow aisles or other width or turning restrictions?
