Pacific My-T-Lift Crane

The My-T-Lift is a low maintenance telescopic jib crane, made from high quality durable steel. The My-T-Lift is the perfect solution for anyone that has to safely load, unload or handle heavy loads up to 300kg. Designed for single handed operation the My-T-Lift can be mounted on trucks, trailers, pontoons and similar structures.

Features:

- 360° degree manual radial slew, with slipper bearing thrust race for ease of slewing motion.
- Rugged structure with low maintenance powder coated finish.
- Folds down when not in use.
- Allows accurate placement of loads , even in confined spaces.
- Supplied with manual winch, 12 or 24 volt electric winch.
- Shown with optional Drum Lifting sling.

MY-T-LIFT Base Plate
 Dimensions are 450 x 455 mm,
