PROTECTIVE RUNNERS

Protective Runners are all made of tough extruded vinyl, the differences, one from the other, being the weight and the thickness - and hence toughness - of vinyl as well as the surface finish moulded into the vinyl

These runners are intended to protect the surface beneath.

Rib Mat Vinyl Rolls - Black

- Heavy duty vinyl ribbed runner.
- Deep groove, ribbed vinyl pattern provides floor protection and sure footing at nominal cost.
- Can be cut to size with sharp knife yet is incredibly tough.
- Resists high heels and heavy trolley traffic
- **3.5mm Thickness**

ProfilePe

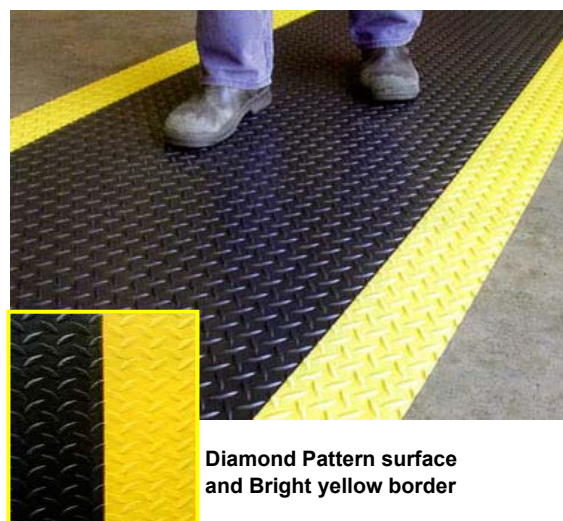

Part Number	Dimension (Width x Length)	Qty Pk
