

Justrite Safety Cabinets

FLAMMABLE STORAGE CABINETS

Flammable Safety Storage Cabinets provide a safe, close-by, secure and time-saving method for storing all types of dangerous materials.

CORROSIVE STORAGE CABINETS

Corrosive Cabinets have a Polyethylene tray on each shelf to collect any accidental spillages.

Justrite Safety Containers

FLAMMABLE SAFETY STORAGE CANS & PRODUCTION SAFETY EQUIPMENT

Fire protective inplant storage of flammables. Heavy-duty terne plate with double-seamed construction. All models have built in flash arresters to eliminate the risk from flashback causing explosion

Lamba Floor Warning Signs

Lamba Systems manufactures unique, four-sided safety floor cones. With a variety of designs available, these highly visible, highly durable cones warn pedestrian traffic of potential hazard areas.

Smokers Ceasefire

The new Justrite "Smokers Ceasefire" provides a safe and tidy way for people to discard cigarette butts before entering your building.

STS Drum Handling Systems

The STS ergonomic drum handling system offers new concepts and solutions to age old problems yet still fulfilling the three STS objectives. **SAFETY - EFFICIENCY - VERSATILITY**

Storage/Security Cabinets
