All of these large bins are:

- Low density polyethylene
- Non Toxic
- Easily cleaned
- Impact absorbing
- Resistant to most chemicals
- Suitable for operating temperatures of between -10°C and +60°C

- Subject to availability, all bins are in 'natural' (white) and black. Other colours to order.
- Rectangular and square units require side support framework if being filled with liquid (supports ex-stock for main models)

- Outlets can be fused to tanks as required including any necessary valves, etc.

\* Dimensions shown are the nominal body sizes and exclude protruding top edge rims, etc.

# Litres shown are nominal
