### Autopole™

Is the revolutionary way of visual merchandising,

Autopole is easy to assemble and requires no permanent fixtures.

Autopole is the perfect way to produce instant:

- **Signage**
- **Product Displays**
- **Window Displays**

Autopole is especially appropriate for producing quick temporary displays in high traffic areas.

### merchandising tip

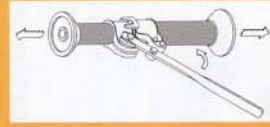

#### Autopole Placement

The Autopole tension mechanism locks the Autopole in

place vertically.

Simply locate the Autopole foot where you need it and then

lower the lever to tighten the top of the Autopole securely against the ceiling.
