SpaceLine:
A discreet and sophisticated cable merchandising system with an infinite range of uses. SpaceLine has a complete range of components which make it suitable for floor to ceiling, wall to floor and wall to wall fixing applications. It can also be fitted to SpaceLine Track to enable horizontal adjustment.

SpaceLine Cable Systems are ideally suited for:

- Shelving for any retail or presentation use.
- Window or wall merchandising.
- Sign fixing, poster hanging or artwork presentation.
- Suspending cabinets or merchandising cubes of timber and glass.
