Max System™ Dual Pan Preparation Carts

Rubbermaid's Max System™ Dual Pan Prep Cart is just right for your facility's multiple needs. Back-of-house preparation requires a compact cart. Front-of-house serving requires distinctive, upscale equipment. Outside catering requires a mobile workstation. Sleek and practical, the Max System™ Dual Pan Prep Cart can function in such areas as prep, transport, or serving equipment.

Smooth, all-plastic construction resists dents and corrosion, and the removable cutting board makes cleaning easy. Non-marking casters quietly glide over most surfaces and dual locking wheels provide stationary control. Durability, versatility, and mobility from kitchen to banquet room or outdoor serving areas. Count on Function with style.

Colour Available is Black only

Complements any banquet or front-of-house setting with back panel option.
