EZEE Halstead Trolleys

EZEE Retail also offers various sizes of Mobile Fold Up Fresh Produce and Food Trolleys made from high strength zinc electroplated steel. These display trolleys present a great opportunity to stimulate impulse purchases and maximize valuable retail space.

EZEE Halstead Trolleys are also great to attract attention outside the store by raising product into customers' line of vision.

An EZEE way to display new season fruit to encourage impulse buying.

Some entire stores have been cost effectively fitted out using mobile EZEE Halstead Trolleys.
