IT'S TIME TO MAKE SURE....

Everyone wants to make sure potential hazards are eliminated.

The new Sure Step has been designed to allow the user to reach high places easily and safely.

The wide base platform together with the larger contrasting anti-slip contact surface means your feet stay where you put them.

Optional Anti-skid rubber bumpers stop movement on extra slippery floor surfaces and spring castors makes movement easy on carpet or concrete.

The innovative versatile design makes the Sure Step a step ahead of the rest. So if you're working in a warehouse, office, library or supermarket, remember... make sure.

- Sturdy yet light weight construction
- Stackable for compact storage (except #SRC)
- Optional anti-skid rubber bumpers
- Optional spring castors
- Large anti-slip step surfaces
