

INDOOR 850L FOR 205L DRUMS WITH CONTINUOUS FEED CAPABILITY

Convenient single pallet storage or drums lined abreast of each other, these **WorkCover Authority Approved** 850 litre cabinets can make your work place that much more safer and easy to work in. The cabinets will allow continuous feed of hazardous substances while still complying to government and insurance company demands.

Outstanding features of these cabinets are:

- Withdrawal pipe sleeves in adjacent walls
- WorkCover Authority of NSW approval number N99001Q & N99002Q
- Pallet friendly model IFS850
- Spill catchment (liquid stores only)
- Four 205L drum abreast model IFS850-D
- Dry chemical fire extinguisher
- Emergency spill absorption pads
- Forklift damage resistant
