

# FLAMMABLE, POISONOUS, HAZARDOUS or just plain DANGEROUS it all has to be stored properly.

WorkCover, EPA and Insurance companies require all hazardous and dangerous substances to be stored in the correct manner and away from vandals and workplace mishaps.

Store-Safe's flammable liquid and gas stores are Australia's premier range offering maximum security and protection.

Manufactured from strengthened BHP Steel, featuring registered key system with a range of unique options.

Store-Safe's flammable and dangerous goods stores have been reviewed by WorkCover and have been constructed in accordance with Australian Standards.

Store-Safe features:

- All weather protection
- Forklift damage resistant
- Fire extinguisher (flammable liquid stores only)
- Pallet accessibility
- Spill catchment (liquid stores only)
- Climate control options: insulation, ventilation and air conditioning
- Danger and warning signs
- Cross beam and longitudinal support
- Emergency escape door
- Tow hooks and fork lift ability
- Emergency spill absorption pads

*Save yourself from hefty fines and protect your company against prosecution and large compensation payouts. When your serious about keeping flammable and volatile substances safe, you too will use Store-Safe substance specific stores.*
