Table Trolleys

Moving & storing of function room tables.

- ☰ These Table Carrying Trolleys are great for moving and storing round or rectangular tables for the function room.
- ☰ Each trolley carries 5 folding tables (round or rectangular) up to 1800mm diameter.
- ☰ Protective felt/carpet fitted to the trolley surface to protect both the tables and trolley from scratches.
- ☰ Special trolley sizes can be tailored to suit your existing tables.
- ☰ The Longline Table Trolley has a drop end to accommodate for larger tables. A chain latch keeps the drop end in place when moving and storing tables.
- ☰ The A Frame Table Trolley suits rectangular tables 1800mm long or round tables.
- ☰ **Castors:** Fitted with 125mm 2 Fixed, 1 Swivel, 1 Swivel Brake. Blue Resilex Non Marking Castors.
- ☰ A brake fitted to this trolley keeps it stationary while it is being loaded and unloaded.
- ☰ Please ask us about our **'Castors & Finishes'** information sheet to help with your selection.
