

I Series - Laptop Storage Trolleys

1. Clean & tidy design - no unsightly, dangling, charger cables.
2. Single cord connection to mains power supply.
3. Top storage for chargers - no stooping to plug in.
4. Single, in-built combination lock - secures top cover and doors.
5. Integral 'lock-down' bracket standard on all models.
6. Optional high-strength, combination locking cable and floor anchor available. (Extra Cost)
7. Can accommodate any combination of laptops from 7" to 17" without any shelf adjustments.
8. Engineered construction with high quality powder coat finish. (Charcoal)
9. Competitively priced.

As Used by Schools,
 Colleges & Universities
 manufactured in Australia.
