TILT Range - "SULO" Wheely Bin Trolleys

Tilting base plates avoid lifting of bins and assists loading / unloading of full bins.

4 Wheel - Sulo Bin Trailer

- The 4 wheel trailer has 2 bins unload / load to each side.
- The front deck section over the swivel wheels can have a frame to accommodate empty bins.
- This unit will be harder to back and has a greater turning circle due to the position of the rear wheels.
- Suitable for an electric tow vehicle as it has no downward draw bar weight and can be easily moved by hand in tight spots.
- 450 x 8 pneumatic wheels
- Over All Dimension : 2900L x 1450W x 1100H mm
- Green powdercoat finish (Other colours available)

Please email to spacepac@spacepac.com.au for current pricing
