

WAREWASHING - HANDLING SYSTEM

UNICA WAREWASHING - HANDLING SYSTEM

Molded in one-piece with double-wall construction from PP Co-Polymer, the **UNICA** Washracks are resistant to heat and chemicals. They are available in the standard size of 500mm x 500mm. Base racks have comfortable handgrips on all four sides facilitating handling. For added height and protection, use our **UNICA** "clip-on" extenders. With the **UNICA** Warewashing - Handling System, you can create the system most suitable to your needs.
