2510mm by 1780mm		TR		

Tuff Tonneaus Van Mats are a premium grade rubber that will protect the floor of your Van.

It will resist tearing, cracking or warping and is resistant to most chemicals and liquids.

The mats are easy to install and require no fastenings.

Minimises dents and Scratches.

A Van mat leaves the floor in perfect condition and increases the resale value of your vehicle, even after a number of years of hard work.

Plus \$15 freight Ex. GST per order from Factory.

All prices subject to 10% GST - Australia Only

Our policy of constant product improvement may lead to changes to specifications/prices without notice.
