Product.

**New
Design**

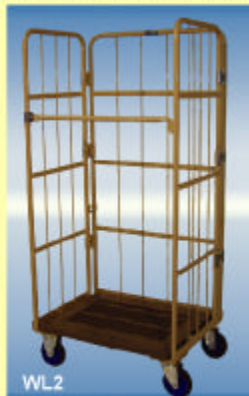

- Nesting Ability
- High Volume Capacity
- Highly Manoeuvrable
- Lightweight High Impact Plastic Base
- Baked Enamel Finish
- Unique Castor Design with minimal rolling resistance

The Unique folding design allows the empty cage trolley to be nested reducing the storage space required in the Warehouse.

Once fully loaded the cage style trolley offers large volume capacity with ease of movement.

Available in two sizes - 300kg and 500kg capacities.
