

MOBILE WORK BENCH & TOOL TROLLEYS

The modular design of Storetek style workbench components extends into this versatile range of tool and machine side cabinets. Ideally suited to factory and building storage applications as well as compact mobile tool and parts storage.

The trolleys can be arranged with your choice of drawer and cupboard combinations, all with optional locks.

While the heavy duty worktops easily tolerate the use of a vice or power tool applications.

Also see our vice brochures:

- Premium Range Heuer Vises & Jaws
- Medium Range Vices

The two swivel with brake and two fixed castors have smooth-running roller bearings to ensure trouble free movement when the trolley is heavily loaded (up to 250 kg)

Warranty - 12 month on moving parts - lifetime on static parts.

**Steel worktop,
compact mobile
tool and parts
storage**

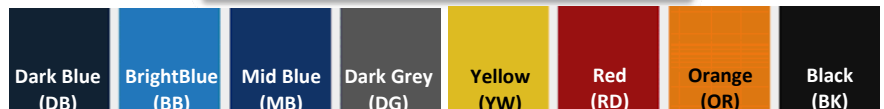

- Built to last
- Lockable drawers and cupboards
