

2 Bin Trailer - Wheelie Bin Mover

Tired of lugging those wheelie bins across hazardous terrain or a long drive way?

We have the ideal solution for you with the #Tug-WB2-INL-STL Wheelie Bin Mover. Custom built for Australian conditions, This Bin Mover can transport 2 x 240 liter bins, with ease.

Simply hook the trailer onto the back of your vehicle or Movexx Australia Tug.

The steel ramp makes it easy to load and unload your wheelie bins. Bins are secured with a bin divider and the ramp held in place by two latches.

Saving you time and energy, this Wheelie Bin Mover makes the weekly rubbish bin routine a breeze.

Engineered to carry up to 400 kg. This makes for a handy little trailer to use around your property.

The #Tug-WB2-INL-STL Wheelie Bin Mover is designed to use on your private property and cannot be registered for road use, therefore no license or registration fees to be paid either!
 Can be used manually

Product Features:

- Tow bracket: standard bracket to attach to your vehicle 50mm towball or optional bracket for your Movexx Tug or Ride-on Mower. - Powder-coated steel frame and ramp
- Jockey wheel - Removable
- Safety latches for ramp.
- Large pneumatic wheels, handling uneven terrain with ease.
