Mesh Barriers

Air conditioning curtains available for all mesh barriers

A range of barriers for all popular vans

Mesh barriers for the larger vehicles

Two position barriers for station wagons

Cargo barriers to suit most 4WD's

Polycarbonate & Metal Barrier

- Strength - Less Deformity
- Restricts Penetration of Small Items
- A Natural Air Curtain
- Excellent Sound Reduction

The unique TOP STABILISER BAR gives Extra Protection for the head and neck area of vehicle occupants by restricting the deformity to the top of the cargo barrier in the case of an accident
