SPPCM-01 Stillage Cage

This multi-use pallet size cage is designed to suit all warehousing and storage requirements with the advantage of being quickly dismantled for valuable space saving and transport efficiency.

This durable, economical cage can be transported by Forklift or Pallet Trolley and can be stacked up to 4 high when empty and 2 high when loaded.

Front drop down gate and rear hinge gate are both removable and are able to be opened for easy access, even when stacked.

Unit is supplied standard un-assembled (flatpacked).
