### ASSEMBLY INSTRUCTIONS For Double Tilt-Pak

**Required:** 4 x 4mm hi-lo series screws

1. Place 2 Tilt-Pak's back to back making sure to line up protruding bosses
2. Open all drawers half way
3. Locate holes between the first and second drawer and the third and fourth drawer
4. Insert 2 screws into right hand side holes using a Philips head screw driver
5. Repeat steps 2, 3 and 4 on opposite side
