ANTI-FATIGUE MATS - Foam Laminates

WHAT ARE FOAM LAMINATES?

Foam Laminates are anti-fatigue mats consisting of several strata laminated together. Usually a tough vinyl top surface is laminated to a foam material. The top surface is designed to resist wear. The foam ensures anti-fatigue qualities. A further, slip-resistant underlay is sometimes bonded to the underside of the foam thereby creating the ideal anti fatigue mat - tough wear surface, air-soft, anti-fatigue foam and slip preventing under surface

WHERE TO USE:

Production areas, assembly lines, work stations, checkouts, bank tellers.

SPPMSD2436-BYE

Embossed diamond pattern

Profile

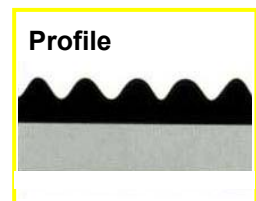

Diamond Plate Premier Mats, Rolls and Cut to Length - Black with Yellow Ends

- Tough, durable 4mm vinyl skin surface permanently bonded to 12mm buoyant sponge backing and 2mm non slip underlay
- Embossed diamond pattern top surface for foot grip.
- Bright yellow Ends (Mats only) for extra safety.
- Ideal for assembly lines, work stations, laboratories.
- **18mm Thickness**

Part Number	Dimension (Width x Length)	Qty Pack		
# SPPMSD2436-BYE	600 x 900 mm Mat	1		
# SPPMSD3660-BYE	900mm x 1.5m Mat	1		
# SPPMSD3200-BYE	900mm x 6.1m Roll	1		
# SPPMSD320C-BYE	900 mm Wide Cut to Length **	1		

SPPMCR2436-BLK

Profile

Comfy Rib Mats, Rolls and Cut to Length - Black

- For use where high resistance to wear plus foot comfort are important.
- Great at machines, checkouts and reception counters.
- Tough 3 mm thick, ribbed, vinyl bonded to 12 mm closed cell foam.
- Bevelled on all four edges (Mats only) to prevent tripping in high traffic areas.
- **15mm Thickness**

Part Number	Dimension (Width x Length)	Qty Pack		
# SPPMCR2436-BLK	600 x 900 mm Mat	6		
# SPPMCR3648-BLK	900mm x 1.2m Mat	1		
# SPPMCR3200-BLK	900mm x 6.1m Roll	1		
# SPPMCR320C-BLK	900 mm Wide Cut to Length **	1		

**** Bevelled End for Anti-Fatigue and Diamond Plate**

900mm Wide Bevelled Ends

**** Add 2x # SPXDISBS for Bevelled Ends**

# SPXDISBS	900 mm Wide Bevelled End	1
