DIP TANKS & WORK STANDS

Dip Tanks & Parts Basket Accessory

Permit safe, economical use of solvents in parts cleaning.
 Unobstructed opening for convenient manual dipping of large parts.
 Renewable fusible link assembly automatically drops cover to snuff out fire.
 Cover may be closed manually.

Parts Basket Accessory

Two-handed, round parts baskets are useful for cleaning many small parts in a single operation.
 Lugs hold basket above liquid level for fast draining of parts after immersion.
