

Ultra Containment Berms® **Camo Model**

Compact Folded Size And Camouflage Color Scheme Is Perfect For Military Field Operations

- Compact, one-piece construction is lightweight and portable — no tools required for installation.
- Protect the environment from leaking machinery, equipment or drums.
- Use with tarps or netting to provide complete camouflaged coverage of containment areas.
- Rugged 28-oz., 28-mil reinforced fabric provides durability.
- Camo material is available for all models of Ultra-Containment Berms.
- Custom sizes available.

Sidewalls lower quickly to allow easy access.

Simply drive or roll equipment into Berm and raise sidewalls to provide complete containment.
