

Ultra Containment Trays®

Versatile Secondary Containment For Small Containers And Packages

- Low profile, 62 litre sump is perfect for containment of 18 litre pails, batteries, safety cans, dry cleaning waste drums and leaky machine parts.
- Optional 609 x 1219 mm grating elevates containers from spilled liquid — features 52 litre capacity with grating.
- **Meets EPA Container Storage Regulations for small packages with grating in place.**

Designed for use as a storage pad for batteries and other hazardous packages.

1219 x 609 mm interior accommodates many small containers — excellent for use in maintenance and repair operations.
