

Bung Access Funnel The Bung Access Ultra-Funnel allows access to the 19 mm drum bung. Installation of our pop-up liquid level gauge in the 19 mm bung allows visual monitoring of waste level in the drum and helps you plan ahead for drum removal. It also eliminates the mess caused by overfilling!

Part# 0482

Part# 0484

Optional hinged cover keeps dirt and unwanted materials out of your waste stream. It's also lockable for secure drum management.
