

PROVIDING POLY WATER STORAGE AND LIVESTOCK FEEDING SOLUTIONS

2008

SALES CATALOGUE
VALID FROM 1ST APRIL 2008

PRODUCT BENEFITS

Products manufactured from polyethylene are durable, shock resistant, lightweight yet strong, UV stabilised and suitable for harsh Australian conditions. Ancillary materials such as brackets and fasteners are galvanised or zinc plated to ensure longevity and durability.

SPECIFICATIONS

Product specifications may change without notice at any time due to constant product improvements.

PRICING

All pricing includes GST and are recommended prices only. Prices are subject to change without notice.

SIZES

Due to variable shrinkages of polyethylene during manufacture, all sizes, measurements and capacities are approximate.

MINIMUM ORDERS

Orders below \$500.00 (plus GST) may attract a freight surcharge.
