PRESTAR PLATFORM TROLLEYS

- Over 30 Models in the range.
- The only complete range of trolleys fitted with handles at the correct ergonomic height
- Prestar decks are up to 50mm thick, over 10mm thicker than the competition.
- Our castors are fitted with ball bearings and have a large diameter, wide type for effortless rolling.
- All Prestar trolleys are famous for the minimal push effort.
- Controlled testing shows our 300 kg trolley requires only 3.1 kg starting effort.
