FIRE HOSE REEL

Cabinets

Product Overview

Trafalgar is a long established and privately owned Australian company whose name is synonymous with the supply of hazardous chemical storage cabinets. Trafalgar has been making safety cabinets for over 50 years and will continue to do so into the future. We are proud to be fighting hard to keep manufacturing alive in Australia and competing against cheap and inferior imported products. From our manufacturing plant in Sydney's west, Trafalgar **Fire Hose Reel Cabinets** can be custom made to suit your specific requirements. Trafalgar also supply standard size Fire Hose Reel Cabinets.

Key Features & Benefits

Standard

- Manufactured from mild steel.
- Wall mounted or free standing options.
- No back plate on wall mounted unit.
- Key lock or push lock options.
